

Clear Creek California Sunday
February 10th 1850. A most beau-
tiful day. Mr Fullers cook made
me had a first rate Suff. & rous-
ted Heart for dinner.
Col Suffron & Mr
called & the Col related quite
an exciting account of his
battle with the Indians on
the Sacramento a few weeks
since. One man wounded in
the arm since dead. Many
Indians killed. One blanket
& an Ax returned.

Mr Richardson stopped on
his way to Sacramento
by whom we sent for our
letters

Hale, Augustin W.

1850

went to the springs. Mr. Alexander ~~to~~ to Sac. City
Feb. 8th 1850 Friday-

No rain & partially clear- Quite warm in the sun. Very clear at night
H.S. O S.F. & Dr. HALL & Dr. HALL & M. 1/2 d- each put through the V.R.
150 Loads In 6-1/2 hrs 7 1/2 oz. of Amalgum. Mr. Richardson ~~not~~ with
his mules- Mr. P. missed his chill---

Feb. 9th Saturday Fine day for work, but not very clear. Messrs Smith,
Strong, Fuller & self worked V. R. 6 - 1/2 hrs ~~DOCT~~ Hall, Mellon
gave up too hard work for them -- My back very lame- Mr. Richard &
Oty left for the Springs.

Clear Creek California Sunday Feb. 10th 1850

A most beautiful day. Mr. Fuller's cook week- we had a first rate Duff
& roasted Heart for dinner. Col. Suffron & Mr. called- & the Col.
related quite an exciting account of his battle with the Indians
over the Sacramento a few weeks since. One man wounded in the arm-
since dead- Many Indians killed - One Blanket & an ax returned.
Mr. Richardson Stopped on his way to Sacramento by whom we sent for
our letters

Monday Feb 11th over-hauled our Pump --lengthened crank- We moved ~~our~~
Rocker down to Creek, to a better lead- Pleasant clear day
I had a chill, took an entire day out on the brush- Had a very
thorough vomiting & purge.

Tuesday Feb 12- I am better today Mr. Pool sick- Four of us worked
V.R.- Not a very clear day-- We have a white frost nearly every night
The grass is 2 inches high & quite green- willows & many shrubs are
leafing out - & a variety of beautiful flowers are making their appear-
ance. Report states that below, on the Sacramento bottoms the grass
is 2 feet high & thousands of birds are swimming there. Mosquitoes
are also very numerous

Wednesday Feb. 13th 5 of us working V.R. A cloudy day- I had a slight
Chill.
