

56th Annual California Native American Day
Vendor & Exhibitor Registration Forms
California State Capitol - Friday, September 22, 2023

Started in 1939 by Governor Culbert Olson as "Indian Day," this annual event evolved into California Native American Day in 1968 when it was signed in to law by Governor Ronald Reagan and with the support of California's Tribal Leaders. California Native American Day is a time-honored tradition throughout California's Indian Country and is one of the largest annual events at the State Capitol.

The theme for the 56th annual event is: "Protecting Our People Through Sovereignty: Past, Present, & Future." Assemblymember James Ramos will serve as the legislative sponsor. The event will be hosted by the California Tribal Chairpersons Association. California State Tribal Liaisons, the California Native American Heritage Commission, and volunteer members of the planning committee will plan and execute the event. Described below are two opportunities for participation in the event.
